## From the Pastor / Del Párroco

Dear St. Nicholas Family,

The month of October is full of events that call our attention. We celebrate National Disability Employment Month, National Hispanic Heritage Month (Sept. 15 – Oct. 15), Breast Cancer Awareness Month, to name a few. There are so many horizons to help us focus. This is Domestic Violence Awareness Month and an important time to talk about this reality to people and continue to teach about the reality. The vibrant ministry to those victim survivors in the Archdiocese of Chicago makes a great impact in people's lives. Please see the link below for information, prayers and various articles: <https://pvm.archchicago.org/human.../domestic-violence-outreach>

This sad reality continues to plague many families, marriages, dating relationships, etc. leaving broken egos, hearts, relationships wounded for a lifetime. There is good news, because this pattern of behavior, though taught by poor example, can be reversed with intervention by people who care. It is a difficult pattern to break, but there are many examples of change for the victim/survivors and for their children and other family members. It is not genetic; it is a behavior that can be changed with assistance from the community and people of trust. Many programs exist among the parishes and institutions of the Chicago area, plus many other social service organizations like North Suburban Legal Aid Clinic. Notice the pain in the domestically abused Lazaruses around us, assist them to safety, and direct them to programs for healing.

October is also named by Pope Francis this year as "Extraordinary Mission Month." October 1 marks the Feast Day of St. Therese of Lisieux, patroness of the Missions and Doctor of the Church. She died at age 24 and never left the convent because she was too ill, however, she encouraged and prayed for others to become missionaries. Mystical moments of her life inspired her to love Jesus especially by trying to imitate him in daily life. The Pontifical Mission Societies (headquartered in New York) sponsor education programs and courses in explaining the Theology of Mission in the present age. The mission emphasis takes flesh in our era as accompaniment, learning to encounter the stranger as a child of God, exploring the culture of another without judging, noticing the needs of others in order to respond in charity, and see the injustices in these peripheries new to us in order to assist our strangers-turned-to-friends in building their new reality. We become Christ as we mission, then

Querida familia de San Nicolás:

El mes de octubre está lleno de eventos que llaman nuestra atención. Celebramos el Mes Nacional del Empleo por Discapacidad, el Mes Nacional de la Herencia Hispana (del 15 de septiembre al 15 de octubre), el Mes de Conciencia del Cáncer de Mama, por nombrar algunos. Hay muchos horizontes para ayudarnos a concentrarnos. Este es el Mes de Concientización Sobre la Violencia Doméstica y es un momento importante para hablar sobre esta realidad a las personas y continuar enseñando sobre la realidad. El ministerio vibrante para sobrevivientes víctimas en la Arquidiócesis de Chicago tiene un gran impacto en la vida de las personas. Consulte el siguiente enlace para obtener información, oraciones y varios artículos: <https://pvm.archchicago.org/human.../domestic-violence-outreach>

Esta triste realidad sigue afectando a muchas familias, matrimonios, relaciones amorosas, etc., dejando rotos a egos, corazones, relaciones heridas por toda la vida. Hay buenas noticias, porque este patrón de comportamiento, aunque enseñado por malos ejemplos, puede revertirse con la intervención de personas que se preocupan. Es un patrón difícil de romper, pero hay muchos ejemplos de cambio para las víctimas/sobrevivientes y para sus hijos y otros miembros de la familia. No es genético; Es un comportamiento que se puede cambiar con la ayuda de la comunidad y las personas de confianza. Existen muchos programas entre las parroquias e instituciones del área de Chicago, además de muchas otras organizaciones de servicios sociales como North Suburban Legal Aid Clinic. Observe el dolor en el Lázaro maltratado internamente que nos rodea, ayúdelos a ponerse a salvo y diríjalos a programas de curación.

Octubre también es nombrado por el Papa Francisco este año como "Mes de la Misión Extraordinaria." El 1 de octubre se celebra la Fiesta de Santa Teresa de Lisieux, patrona de las Misiones y Doctora de la Iglesia. Murió a los 24 años y nunca abandonó el convento porque estaba demasiado enferma, sin embargo, alentó y rezó para que otros se convirtieran en misioneros. Momentos místicos de su vida la inspiraron a amar a Jesús, especialmente al tratar de imitarlo en la vida diaria. Las Obras Misionales Pontificias (con sede en Nueva York) patrocinan programas y cursos de educación para explicar la Teología de la Misión en la era actual. El énfasis de la misión toma cuerpo en nuestra era como acompañamiento, aprendiendo a encontrar al extraño como un hijo de Dios, explorando la cultura de otro sin juzgar, notando las necesidades de los demás

## From the Pastor / Del Párroco

our encounters will be moments of transformation for me and for the ‘new’ person on my mission journey. This Evangelization of the heart requires humility like St. Therese, but also a determination like hers, in order to share in the same heart of Jesus Christ. Mission is a lifestyle which may take us geographically distant from our home, or keep us close to home, but always reshapes our view of the world and challenges us to embrace the other as family. The missionary heart encounters the gifts of others and gives thanks for those gifts entering one’s own horizon. Like St. Therese of Lisieux living in abandonment of one’s own self - both desires and suffering - in order to place one’s life in complete providence of God, we too pray this month for that grace.

October is also the **Month of the Holy Rosary**. Mary as the first disciple of Jesus tells us “do whatever he tells you” on our life’s journey. The only approved apparition of our Blessed Mother Mary in the United States occurred in Champion, Wisconsin, in October 1859. Adele Brise, a Belgian immigrant, had three profound visions and locutions. At 28 years old she was told that Mary appeared to have Adele “pray for the conversion of sinners” and “to gather the children in this country and teach them what they need for salvation.” Adele became a lay Franciscan spending her life bringing others to Christ. That call and mission, a strong biblical theme, continues to inspire visitors and devotees of “Notre Dame de Bon Secours” to live lives of conversion to Christ, work for those in greatest need, and prepare for the day of Salvation.

Pray the Rosary this month of October with your family. Remember the apparitions of Fatima 102 years ago, Our Lady of Good Help, and know that we are called to greatness of faith. There are apps which include the rosary in addition to a number of YouTube versions to follow along. Try it, you might like it!

May Our Lady of the Rosary whose feast day is October 7 (since 1571) guide your family to Jesus Christ, the Savior of the world.

Have a faith-filled month,

*Rev. Joseph P. Sito*

para responder en caridad y ver las injusticias en estas periferias nuevas a nosotros para ayudar a nuestros extraños convertidos en amigos en la construcción de su nueva realidad. Nos convertimos en Cristo por nuestra misión, nuestros encuentros serán momentos de transformación para mí y para la “nueva” persona en mi viaje misionero. Esta evangelización del corazón requiere humildad como Santa Teresa, pero también una determinación como la de ella, para compartir en el mismo corazón de Jesucristo. La misión es un estilo de vida que puede llevarnos a lugares geográficamente distantes de nuestro hogar, o mantenernos cerca de nuestro hogar, pero siempre cambia nuestra visión del mundo y nos desafía a abrazar al otro como familia. El corazón misionero se encuentra con los dones de los demás y da gracias por esos dones que entran en el horizonte de uno. Al igual que Santa Teresa de Lisieux vivir en el abandono de sí mismo, tanto deseos como sufrimiento, para colocar la vida de uno en completa providencia de Dios, nosotros también rezamos este mes por esa gracia.

Octubre es también el mes del **Santo Rosario**. María, como primer discípulo de Jesús, nos dice “haz lo que él te diga” en el viaje de nuestra vida. La única aparición aprobada de nuestra Beata Madre María en los Estados Unidos ocurrió en Champion, Wisconsin, en octubre de 1859. Adele Brise, una inmigrante belga, tuvo tres visiones y locuciones profundas. A los 28 años le dijeron que María apareció para pedir que Adele “orara por la conversión de los pecadores” y “reuniera a los niños en este país y les enseñara lo que necesitan para la salvación.” Adele se convirtió en una laica franciscana que pasó su vida trayendo a otros a Cristo. Ese llamado y misión, un tema bíblico fuerte, continúa inspirando a los visitantes y devotos de “Notre Dame de Bon Secours” para vivir vidas de conversión a Cristo, trabajar para aquellos que más lo necesitan y prepararse para el día de la salvación.

Rece el Rosario este mes de octubre con su familia. Recuerde las apariciones de Fátima hace 102 años, Nuestra Señora del Buen Ayuda, y sepá que estamos llamados a la grandeza de la fe. Hay aplicaciones que incluyen el rosario, además de una serie de versiones de YouTube para seguir. ¡Inténtalo, puede que te guste!

Que Nuestra Señora del Rosario, cuyo día de fiesta es el 7 de octubre (desde 1571), guíe a su familia a Jesucristo, el Salvador del mundo.

Tengan un mes lleno de fe,

*Rev. Joseph P. Sito*

### What's Happening in Pastoral Care at St. Nick's

#### Stephen Ministry

Several of our parishioners have undertaken and completed a rigorous **50 hours** of training in order to participate in our parish's formal Stephen Ministry of presence, accompaniment and pastoral care. They are now trained to walk with those who are experiencing major changes and challenges in life, such as unemployment, divorce or separation, retirement, the loss of a loved one, the impending arrival of a newborn or adopted child, caring for an elderly parent- any situation in which you would benefit from a caring, listening heart to be with you.

#### Ministry of Bereavement

Twelve of our parishioners have undertaken and completed **12 hours** of training to prepare themselves for their calling to serve as **Ministers of Bereavement** to those who have lost a loved one. They serve by walking with them through their grieving, assisting in preparation of funerals and offering their ears for compassionate listening and their hearts for loving and understanding.

#### Ministry of Care

Several of our parishioners over the years have undertaken and completed **12 hours** of training to prepare themselves for their calling to serve as a **Minister of Care** bringing communion and a listening, prayerful heart to those who are homebound or in nursing homes, unable to participate in our communal celebration of the Eucharist.

Please join us at 9:00 am Mass Sunday, October 13 when we as a community formally commission these ministers to continue their service in these ministries. This will be followed by a reception in Oldershaw Hall where we can meet and greet one another and learn more about these wonderful ministries.

### ¿Qué está pasando en el Cuidado Pastoral en San Nicolás?

#### Ministerio Esteban

Varios de nuestros feligreses han emprendido y completado **50 horas** rigurosas de formación a fin de participar en el Ministerio Esteban de presencia, acompañamiento y cuidado pastoral en nuestra parroquia. Ellos están ahora entrenados para acompañar a aquellos que experimentan cambios y desafíos en la vida, como desempleo, divorcio o separación, retiro, la pérdida de uno amado, la llegada inminente de un recién nacido o niño adoptado, cuidando a un padre de mayor edad - cualquier situación en la cual usted se beneficiaría de una persona que pueda escucharlo.

#### Ministerio de Pérdida

Doce de nuestros feligreses han emprendido y completado **12 horas** de formación para prepararse para servir como Ministros de Pérdida a aquellos que han perdido a un ser querido. Ellos los acompañan por su aflicción, ayudan en la preparación de entierros y ofrecen sus oídos y corazón para escuchar con compasión con amor y comprensión.

#### Ministerio de Cuidado

Varios de nuestros feligreses a través de los años han emprendido y completado **12 horas** de formación para prepararse para su vocación para servir como un Ministerio de Cuidado que trae la comunión y oración a aquellos que están en casa o en hogares de ancianos, incapaces de participar en nuestra celebración comunal de la Eucaristía.

Por favor acompañenos en la Misa de 9:00 am el domingo, 13 de octubre cuando como una comunidad formalmente comisionara estos ministros para que continúen su servicio en estos ministerios. Este será seguido de una recepción en el Salón Oldershaw donde podemos conocernos el uno al otro y aprenden más sobre estos maravillosos ministerios.
