St. Nicholas Church

Mission Statement

"We are the Body of Christ at St. Nicholas. Grounded in our diversity, We gather for worship, cherish the traditions of our Catholic faith, witness to the gospel of Jesus, minister to others, and live as Christians in the world"

How does your parish self-identify?

St. Nicholas Church identifies itself most importantly as;

A diverse community embracing multiethnic, racial groups and being enriched by each. St. Nicholas is now made up of 50% English and 50% Spanish speakers.

An inclusive community embracing all forms of disabilities and abilities, and members of the LGBTQ community. We also honor and raise up the voices and views of women.

A community that values as essential, prayerful Liturgies and music...centered in the Eucharist.

A community that values its youth and their Christian formation and education, be it in parochial or public school settings.

A Missionary community that nourishes itself at the Eucharistic table in order to go out to make Christ's presence known in the world wherever we live our lives, with our families, in our work, on formal service missions, embracing the global community as family.
