My personal Thanks to All of You for your incredible patience and understanding.

Important Reminders!!

- 1) Please remember to get a sub if you cannot make your assignment!!! You are missed!!**
- 2) On that note PLEASE arrive 15 minutes before Mass, so we are not scurrying around to find potential replacements.**
- 3) Be sure to practice your reading before you read. Make sure the Lectionary is marked at the right reading. If you arrive before Mass begins (that 15 minutes mentioned above) you will have time to check the Reading is probably marked. And you will be familiar with the reading since you will have practiced it!!!**
- 4) TAKE YOUR TIME READING!! Read slowly and distinctly with the mic in the proper position, not too high and not too low. And please project your voice. The mic will NOT amplify a whisper.**
- 5) Palm Sunday Gospel Lectors, Triduum, and Easter Lectors will be contacted soon. They are not on this schedule. Thank You to everyone who let me know your availability.**

Thank YOU so very much!!! This is my last official schedule and I hope I got it right. You have all been wonderful to work with, you are each very special and add so much to our liturgies.

Lenten and Easter Blessings ALL,

marge
